

## American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are known within the industry as providing durable and strong equipment that meets all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are available in the market under the brand name "Encore". American Lincoln can supply parts, warranty service and machinery for these kinds of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Lately, this floor scrubber model has been requested by the architects in new construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's excellent quality and supreme performance level for polishing concrete.
