

Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on achieving complete customer happiness when enjoying one of their car, truck or forklift products. They are committed to providing high value and meticulous quality standards to their customers. Incorporating a rich heritage combined with solid production principals, Nissan Forklifts offer a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the business has four independent production facilities that permit them to persistently adapt to their clients continually evolving requirements by providing a variety of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is located in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, allows every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using methods that limit the global influence of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their customers require while being an environmentally aware company.

Nissan is certain that they will be capable of addressing any consumer questions or concerns. Always accessible through their website or by calling 800.871.LIFT, contacting one of their locally authorized sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
