

## Electrical Parts for Forklifts

Forklift Electrical Parts - Forklifts and various lift trucks may have particular labels used in certain hazardous locations. The mark indicates that this certain model of forklift meets the minimum standards of ANSI/UL 553 utilized for electric forklifts or ANSI/UL 558 used for internal combustion engine forklifts.

Applications for labeled forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Check with your local insurance carrier and Fire Marshall for further information about the permitted uses of industrial powered lift trucks in your application.

If the specific forklift satisfies the outlined criteria, labels can be attached. A labeled forklift will show the type of designation put on the nameplate and would have a properly corresponding label attached.
