

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy providing products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The workers at TREK and their dealer-partners are really devoted to having both parts and technical support available when it is required. Their high service devotion is one of the core values in their customer service. Keeping their customers' cleaning equipment ready and functioning everyday is top priority. The company's top of the line technology delivers dependable equipment which ultimately lessens your cleaning cost. The product, the price and the service all work together to make them the leader in the trade.
